

TRAINING COURSE

Special Operating Rules: ETOPS, MNPS, RVSM, LVO (AWOPS), PBN

Introduction

This course will provide and explain the background to the existing requirements (International, EU and National) in regard to ETOPS, MNPS, RVSM, LVO (AWOPS) and PBN. Whilst this course covers the operational aspects in detail, it also provides an overview of the associated airworthiness requirements. This course includes group exercises.

After this course, participants should have a good working knowledge of the EU Special Operating Rules (as per the Part SPA), which became effective in 2012.

COURSE DURATION

This is a two-day course, starting at 09.00 on the first day and ending at approximately 17.00 on the second day.

TARGET GROUP

- National Aviation Authorities:
Staff members have duties and responsibilities in line with the scope of this course.
- International organizations:
Operational personnel
- Operators and Service Providers:
Operator's operations personnel and also providers of relevant operational products or relevant services for operators
