

TRAINING COURSE

ACI-ICAO Airport User Charges

Introduction

This course, which is jointly delivered by ACI and ICAO, aims to provide a detailed understanding of the international policies applying to airport charges to develop, implement and manage a user charges policy, as well as specific charges/rates, compliant with international regulations and best practice.

The course reviews in detail the main recommendations adopted by the Conference on the Economics of Airports and Air Navigation Services (CEANS), held in Montreal in September 2008, the ninth edition of ICAO's Policies on Charges for Airports and Air Navigation Services (Doc 9082), which was published in 2012, and the third edition of ICAO's Airport Economics Manual (Doc 9562), which was published in 2013.

Note: ACI Members are eligible for discounts on course tuition which will be processed during registration. Please contact our [Training Department](mailto:training@jaato.com) via training@jaato.com. More membership details [here](#).
