

TRAINING COURSE

NAA Inspectors - EASA Aircrew Licensing

Introduction

The "NAA Inspectors - EASA Aircrew Licensing" course is designed for National Aviation Authority (NAA) inspectors, staff of AOC holders, and training organizations. It provides a comprehensive understanding of EU regulations related to aircrew licensing, including EC Regulation 216/2008, EU Regulation 628/2013, and EU Regulation 1178/2011. Participants will gain knowledge of inspector roles, licensing requirements, and the responsibilities of competent authorities. The course offers a deep dive into aircrew regulations and is structured to support inspectors in ensuring regulatory compliance within the aviation industry.

The course will familiarize participants with the relevant parts of the 3 regulations covered, which are mentioned below. It will also give a more thorough understanding of the topics that are especially relevant for Inspectors.

COURSE DURATION

5 days, starting at 09:00 and ending at approx. 17:00 on the first 4 days and 14:00 on the last day to allow for exams/testing for the remainder of the afternoon - examination fee included in the course fee.

TARGET GROUP

- Inspectors from NAA's and external auditors
- Other key NAA staff members
- Staff members of AOC holders and training organizations
