

TRAINING COURSE

EASA Aircrew Licensing Training Course (EU) 1178/2011 and Amending Regulations

Introduction

The *EASA Aircrew Licensing Training Course (EU 1178/2011 and Amending Regulations)* familiarizes participants with the key requirements of EC Regulation 1178/2011 for aircrew licensing. The course covers the regulation's structure, related EASA guidance materials, and offers practical exercises. Participants will develop the knowledge needed to ensure compliance with aircrew licensing regulations and prepare for regulatory audits. The course is ideal for staff from Approved Training Organizations (ATOs), air operators, and national aviation authorities.

The aim of the course is to familiarize participants with the requirements of the EC Regulation Aircrew (1178/2011).

COURSE DURATION

3 days, starting at 0900 on the 1st. day, and finishing at approximately 15:30 on the last day.

TARGET GROUP

- Management and staff members from Approved Training Organisations.
- Management and staff from organisations seeking ATO approval.
- Pilots and Cabin Crew from Air Operators with a desire to learn about the training process for licensing.
- Any other interested industry personnel.
- Flight Operations Inspectors from NAA's and external auditors.
